VERONA, 9 APRIL 2016  
Premier Event at Vinitaly [operawine.it](http://operawine.it)

Palazzo della Gran Guardia - Piazza Bra  
An exclusive event offering specialist operators from around the world the chance to get to know 100 Italian wine-makers selected by the prestigious American publication Wine Spectator.

Exhibition dedicated to international wine production. Wine-makers attended the event in 2015 from Australia, New Zealand, Canada, Chile, Argentina, Spain, France, Peru, Azerbaijan, Germany, Slovenia, South Africa and Georgia. In addition to exhibiting companies, it hosts a tasting area dedicated to buyers and facilities for business meetings.

### TASTE & BUY

Vinitaly brings together the needs of companies and the purchase interests of buyers by organising B2B meetings in the International Buyers' Lounge: an exclusive area reserved for international operators.

### TASTINGS

An important role in promoting contacts between sector professionals and producers is played by the numerous tastings scheduled over the four days of the Exhibition: guided and walk around tastings, prestigious vertical tastings, seminars and informative events.

Exhibition dedicated to certified organic wine made in Italy and abroad. In collaboration with FederBio. Stands will also be joined by the "Bio" Wine Bar to ensure even better visibility for companies already attending the show in other halls that have certified organic lines in addition to wines produced using conventional methods.

### ViViT Wines, Winegrowers and Terroirs

ViViT brings together producers keen to express themselves through transparency, authenticity and individuality. The exhibition is implemented in collaboration with the Vite Association that seeks to become a point of reference for artisanal producers of wines that express the character of their homelands. Small companies yet huge quality.

The Off-Vinitaly event: the evening event in the heart of Verona for all wine lovers. An exciting young format targeting consumers to promote awareness and appreciation of fine wines.

### ALONGSIDE VINITALY

SOL & AGRIFOOD  
TASTE OF BUSINESS

The International Exhibition of Quality Agro-Foods: promotes olive oil and agro-food excellence on national and international markets. The tasting experience of visitors is also enhanced by the arrangement of these product categories in three distinct areas – olive oil, food and craft beer.

19<sup>th</sup> edition. International Exhibition of Wine-Growing and Cellar Techniques & Olive-Growing and Olive Oil Technologies. A marvellous opportunity for all companies seeking to present and promote new applications and technologies in the wine and olive oil value chains.
