INTRODUCTION

■ THE CATALOGUE

The **service catalogue** of **China Italy Chamber of Commerce (CICC)**, based on clear and transparent parameters, promotes the relationship between the Chamber and its Clients (Companies, PA). The catalogue presents supporting activities for the internationalization of companies and Italian territories, defining the principles of their management and supply. Though not exhaustive, the catalogue shows to companies and Public Administrations, an overview of the offered services and their costs. The costs expressed in the catalogue represent an average value of reference and cannot be considerate substitute for specific quotations, which will be provided at the service request.

■ ABOUT US

The China Italy Chamber of Commerce (CICC), officially recognized by the Italian and Chinese Governments, is an association that have been gathering and representing the Italian Business community in China for more than 20 years.

The more than 600 members of CICC belong to the most important Italian industries, small and medium production or commercial companies (SME), banks, service and consulting firms.

Established in 1991 in Beijing, CICC has now offices in Canton, Chongqing, Beijing, Shanghai and Suzhou and a total of 15 Italian and Chinese employees staff.

For those companies already established in the Chinese territory, in relation to common subjects, CICC offers training, information and exchange between professionals and its representative organization. For those professionals interested in expanding their business in China, CICC offers support services for localization and promotion of “Made in Italy”.

The network consolidated all over the years and the institutional acknowledgement, allowed CICC to organize initiatives intended to promote business between private operators, to organize government missions, individual and collective participation to international and local exhibitions, seminars, conferences, bilateral workshops with Italian and local companies, technology days, fashion shows, food days, taste itineraries, cultural and tourism promotion visits.

Another important goal for the promotion of economic and commercial exchange has been recently achieved with the creation of the “Friends of CICC” network, which allows local Chinese companies to participate to the CICC activities and to be in contact with our members, creating more and more profitable business opportunities.

■ HOW WE OPERATE

In order to achieve our goals, not only we work closely with our members and with Italian and local business partners, but also with public and private entities which operate together to promote the internationalization of companies, in particular: Regions, Chambers of Commerce, trade associations, exhibitions, consortiums, cooperatives, groups of companies, industrial parks, banks, ministries of economy and territorial development, international institutions.

■ OUR OBJECTIVES

Support the clients through free of charge and paid services, from providing information for a first orientation on a specific market, to support with positioning and stabilization strategies for Italian companies in a foreign market and for local companies that want to collaborate with Italian small and medium-sized enterprises.

Event and Match-making activities organized to give the companies the opportunity of meeting foreign counterparts and to present them proposals of production, technologic and commercial partnership.

Promote and enhance Italian territories excellences, spreading their peculiarities and know-how through the realization of missions, production areas abroad, incoming missions of Italian and foreign operators in territories where Italian enterprises are established.

Provide knowledge on how to operate in the country, through specific training for single companies and professionals and stage in collaboration with the main Italian and foreign universities.

■ OUR PRINCIPLES

In order to offer high quality services, we commit to regularly guarantee:

- competence
- clearness
- courtesy
- discretion
- impartiality

The service delivery method is based on:

- request satisfaction

-rapidity

-transparency of procedure

■ QUALITATIVE SERVICE STANDARD

In order to guarantee and develop the performances of the single services and to better assist our clients, the Chamber regularly control the services and, according to the principle of maximum attention to the customer, operates a service of customer satisfaction with a system of complain management.

■ NOTES

- ✓ The costs expressed in the catalogue represent an average value of reference and cannot be considerate substitute for specific quotations, which will be provided at the service request.
- ✓ At the quotation expression the Chamber will provide with information about possible additional cost related to regulations applicable to the expressed costs.
- ✓ The services are provided after quotation acceptance and deposit payment, where expected, except for Public Administration or special dispensation.
