## BACKGROUND

Ms. Feng started to practice law more than a decade ago in the areas of inbound/outbound investment, corporation, M&A, Sino-foreign joint venture, as well as civil litigation, and during the past decade has provided legal services to numerous multinational corporations in a variety of industries in China including financial services, advanced technology, digital media, electric power, mining, and real estate. Ms. Feng led the whole process of WOFE establishment, capital increase, and share acquisition in China of a number of oversea financial institutions covering legal documents draft, share structure optimization, negotiations with governmental authorities and commercial partners, intangible assets contribution, transference of land use right.

In the year of 2008 Ms. Feng, due to her outstanding academic ability and practice performance, was selected as one of the first group of PH.D. candidates sponsored by the China National Scholarship Committee to study overseas and initiated a 2-year-study in the Boston University Law School. During this period, Ms. Feng conducted a deep research in the fields of corporation law, commercial law and investment law. From 2014 through 2015, Ms, Feng was a visiting Scholar of UCLA.

Ms. Feng published a number of articles themed multinational corporation governance in national core journals and has been lecturing in English, as a guest professor in Ransit University of Thailand, corporation law, commercial law and

---

international business law.

Ms. Feng was invited by CCTV-12 Channel (Society and Law) and Beijing TV to host and attend law talk shows, such as China Super Lawyer's Debate Show, Beijing Law Time Show.
