Working Groups Feeds

The China-Italy Chamber of Commerce (CICC), in cooperation with its Members, has established different Working Groups regarding strategic sectors for Italian companies in China.

[Discover more about our Working Groups!](#)

The Working Groups bring together representatives of companies operating in the same sector or located in the same geographical area, aimed to share information, resources and ideas; organize relevant activities for the companies; build sectorial expertise within the CICC in order to attract interest both in China and in Italy to benefit companies not present on

At the present moment, the active national Working Groups are

- Aviation and Aerospace Working Group (AAWG)
- Energy and Environmental Protection Working Group (EEPWG)
- Food and Beverage Working Group (FBWG)

Chinese territory yet.

- Healthcare Working Group (HCWG)
- Industry and Manufacturing Working Group (IMWG)
- Intellectual Property Working Group (IPWG)
- Italy-China Travel Club (ICTC)
- Mechanical Engineering Working Group (MEWG)
- Service Providers Working Group (SPWG)
- Sport Working Group (SWG)
- Suzhou Chapter (SCH)
