Company Information

Company Name: **RsA – Asia Tax Advisors**

Company Description (100 words):

We are a tax and corporate advisory firm assisting companies, multinational groups and institutions in the Asian region and the Far East. Our organization is constantly involved in providing tax advisory services for corporate restructuring, mergers, acquisitions, advising on tax efficient investment structures and conducting tax due diligence. We also help organizations deal with the costs and opportunities arising from the introduction of China's latest tax policy, including advising on tax planning strategies, tax implications on China investments and tax incentives under the new law.

The firm combines a multidisciplinary vision and focus on different business sectors and we offer successful candidates the opportunity to work in a dynamic and exciting environment.
